

BT2000 WIRELESS

BT2000 WIRELESS

- Ease of use J1667 test procedure*
- Exceed all SAE J1667 Specifications*
- Small light weight hand held meter*
- Small compact case 19" x 14" x 6"*
- Easy Menu Driven test*
- CARB 2008 printout requirements*
- Ambient Temperature Sensor*
- Humidity Sensor*
- Barometric Pressure Sensor*
- Battery charger for Meter & Printer*
- Li- Ion batteries*
- Total Test Storage 240 test*
- Smoke Test Download to PC*
- Wired keyboard*
- Wireless printer*
- Wireless Meter to Sensor connection*

Optional: Barcode
